

Social Cohesion in the Digital Transition

Trends, Challenges and Mutual Learning in the aftermath of European elections
19 – 20 November 2024 Brussels (BE)

During the time of major transformations and in an increasingly digital world, the digital transition brings both opportunities and challenges for social cohesion. The **YES Forum Policy Event**, organised in partnership **with the European Economic and Social Committee (EESC)** and **BAG EJSA**, delves into **the pivotal role of (young) citizens in shaping this transition** and ensuring the well-being of all members of society within the framework of building a fairer and more inclusive European Union. Join us as we explore the trends and challenges of social policy and cohesion in the aftermath of the European elections addressing the multifaceted needs essential for an inclusive society in Europe.

As always, the event is **open to** social and youth work **professionals and young people**. Participants from **non-member organisations are welcome to join on Tuesday, 19 November 2024**. However, the programme of Wednesday, 20 November is limited to participants from the YES Forum network.

Participation conditions

- **YES Forum EEIG members:** 2 participants for 2-night accommodation, food on-site and up to 200€ travel costs per organisation will be covered by the YES Forum.
- **YES Forum Associate members:** 1 participant for 1-night accommodation, food on-site and up to 100€ travel costs per organisation will be covered by the YES Forum.

This is **an event with limited places** and will be allocated on a **first-come, first-served** basis.
The **hotel rooms** pre-booked by the YES Forum for the **20 November** night **are limited** as well and will be assigned in the same way as event spots: **first-come, first-served**.
